SERVICE OPPORTUNITIES

Night Book

Happy New You!! We were given another chance. I think I was given another chance at the hotline, but that's OK because it keeps me sober and serene. I will be calling and visiting groups this year to drum up business, especially new groups and groups that haven't done the hotline in a while. You can also call the office.

Thanks to the following groups for taking the Hotline in December:

Franklin Square - Gift of Serenity
The Bayville Group
West Hempstead - New Life Group
Malverne - One day at a Time Group

Yours in love and service,

NightBook Chair

Step 1: *We admitted we were powerless over alcohol - that our lives had become unmanageable.*

I have heard that the road to step one is an experience that we have to go through in order to surrender. When I first came into Alcoholics Anonymous, I hadn't experienced enough pain in order to stop drinking. But, I kept coming back and AA never turned its back on me. The members of AA always welcomed me with open arms when I needed them. I found out that I was no different than any other alcoholic, even though when I came into AA, I swore that I was "terminally unique." Knowing that the first word of step one is "we", I realize that I never have to be alone again. Thank God for this fellowship.

Happy, healthy and sober 2009,

Angela L.

Trad 1: *Each member of Alcoholics Anonymous is but a small part of a great whole. A.A. must continue to live or most of use will surely die. Hence our common welfare comes first. But individual welfare follows close afterward.*
